

DA-101TM

Dual Action Odor Neutralizer

Product Overview

A highly concentrated and specially formulated odor solution that neutralizes odor molecules and digests the remainder using a unique two-step process. First proprietary odor neutralizing compounds attack the odor molecule then enzymes digest the remaining elements. Resulting in the elimination of the offending odor source.

A light scent may be added to the product to provide a pleasant environment for neighbors and on-site personnel.

Scents

- Herbal,
- Floral,
- Pine,
- Cedar, and

Uses

DA-101 can be used in:
